

Attention: Recreation Department of Sun Vista

We would like to suggest an Entertaining Evening that I am sure many residents of our park would enjoy. A few of us from our park went to Las Quintas resort last year to see the Hypnotist, Dr. Ken Kern. So this year we had 22 of us from our Park that attended the show! It is very inexpensive for such an entertaining evening. He provides a very clean show! And I don't know what he charges but there were not very many in attendance this year & we still only paid \$8/ticket.
